

WHAT IS iNATURALIST

iNaturalist is a social network based on plants, animals and trees

You can communicate with other people who help you to know what species you have taken in your pictures. They can like, share or comment.

iNaturalist

WHAT DID WE DO?

Last week in LCE and DNL class we went out of René Bonpain. We went around René Bonpain and we used iNaturalist to take pictures of animals, trees, plants and

insects 🐜 🌿 🦅 .

OUR IMPRESSION

It was very good experience. You need to try iNaturalist .
